Additionally, if an employee has a qualifying life event during the plan year resulting in a change of coverage and provides appropriate documentation, then the above stipend will be prorated and/or terminated, if applicable, for the rest of the plan year. Employees must notify the District and provide documentation within 30 calendar days of the qualifying life event in order to receive the prorated stipend for the remainder of the plan term, if applicable. Any failure to notify the District within 30 calendar days will result in stipend payments not taking effect until the following plan year after the open enrollment period, if applicable. The health insurance plan year is approximately July 1st through June 30th but is subject to change. The open enrollment period is typically in May but is subject to change.

The additional compensation shall be added to the employee's gross salary and paid in equal installments as part of his/her regular paycheck. Any amounts paid to the employee under this section shall be subject to usual and customary withholding of taxes, IMRF contribution (if required), and any other withholdings required by law. If the employee leaves employment with the District during the school year, the District's obligation to pay any remaining compensation under this section shall cease on the last day of employment.

If an individual who seeks to receive the additional compensation from this provision would cause the District to violate the laws and regulations which specifically preclude an employer from offering a financial incentive or other benefits to an employee not to enroll in, or to terminate enrollment in, a general health plan that is or would be primary to Medicare shall not be eligible for the additional compensation.

Employees who seek to re-enroll in the District's health insurance may do so in accordance with the rules of this plan.

6. The District shall provide a BC/BS dental and vision plan for all employees. The cost of such shall be borne by the District for any employee on either of the HMO plans. Employees on PPO will have to pay dental/vision on their own.

Any substitutions and/or proration will also be approved by the Superintendent or his/her designee.

The Board shall not pay any employee an amount in excess of two thousand five hundred dollars (\$2,500.00) for each year of the contract thereafter so long as the total reimbursement for any school term does not exceed forty thousand dollars (\$40,000.00) for the entire bargaining unit.

The Union will inform the Board of Education ("BOE") of the names of the employees who have contributed days to the Bank and the names of employees who are to receive days from the Bank. Upon receipt of the names of participants in the Bank the BOE will record the transfer of the employee's day(s) to the Bank. When the BOE receives notification of a grant of days to an employee, the BOE will credit the employee with the number of days specified by the BOT. The BOE shall have no other duties or functions with respect to the Bank that are not explicitly set forth in this Section. Any disputes between employees regarding the Bank shall be resolved exclusively by the Union. Bargaining unit members may not file a grievance to resolve disputes over the provisions of this section. The Union may file a grievance to resolve a dispute limited to

the BOE's recording and transfer of days but only after first giving the BOE written notice of the alleged discrepancy and the opportunity to resolve the discrepancy.

The Union shall indemnify and hold harmless the Board of Education, its members, officers, agents, and employees from and against any and all claims, demands, actions, complaints, suits, or other forms of liability that shall arise out of, or by reason of action taken by the Board of Trustees in the operation of the Sick Bank.

Each employee who has accumulated more than 75 sick days prior to the start of the fiscal year shall be entitled to thirteen (13) days of sick leave each year without loss of pay. Sick leave not used in the year of service for which it was granted shall accumulate without limitation. Employees shall be notified in writing at the beginning of each school year as to the current number of sick days that they possess.
- 2. Sick leave shall be used only for personal illness, quarantine at home, or illness in the immediate family or household. Employees who begin employment after the beginning of the school year shall be credited with prorated sick leave based upon one (1) day sick leave for each month of employment and the school year.

3. In the event an employee is sick more than four (4) consecutive days, the district may require the employee to furnish a doctor's note.
4. Any PSRP employee using two (2) or fewer full days of Sick Leave and Personal Leave in one fiscal year shall be given \$250.00 as incentive pay at the conclusion of the fiscal year. Any PSRP employee who completes the fiscal year with perfect attendance shall be given \$400.00 as incentive pay at the conclusion of the fiscal year. PSRP employees shall only be eligible for the greater incentive documented above. In no case may a PSRP employee receive both payments. Contributions to the Sick Bank shall not be considered absences when determining eligibility for this benefit.

B. BEREAVEMENT LEAVE

1. All employees shall be allowed up to four (4) work days of absence, without loss of pay, in the event of the death of a member of the immediate family. Immediate family shall include parents, spouse, domestic partners as defined in law, brother, sister, children, grandparents, grandchildren, parents-in-law, brothers-in-law, sisters-in-law, and legal guardians. In the event of death of relatives not in the immediate family, an employee shall be granted a one (1) day absence without loss of pay. Bereavement leave shall not be cumulative. Neither shall the use of such leave cause any reduction in sick leave.
2. Upon written request to the Superintendent, he/she or his/her designee may grant an additional two (2) days absence without loss of pay by reason of extenuating circumstances.
3. The employee may be asked to provide a copy of an obituary/death notice from a publication and/or proof of the relative's date of death if such leave is beyond one day.
4. The use of bereavement leave shall be immediately after the death of an individual as noted above unless good cause is shown for use of the leave at a time which is not immediately after the death (i.e. memorial service later in time). The employee shall request approval from the administration, in writing, for her/his use of some or all of the bereavement days at a later date which will include the reason(s) for the intended use.

C. UNION LEAVE

The UNION's president, or appointed designee, shall be allowed released time not to exceed ten (10) days per school term from duties for the purpose of attending to UNION business. As a condition precedent to the exercise of the privilege hereby granted, the UNION's president, or appointed designee, shall: (a) notify the Superintendent or designee in a timely fashion of the need to attend to official UNION business; (b) subject to approval by the Superintendent or designee of the employee's qualifications, to secure and brief another employee, or employees, in the building to perform duties from which the UNION's

president, or appointed designee, will be absent; (c) inform the Superintendent or designee of the arrangement made, and (d) the cost of any such substitution shall be borne by the UNION.

D. PERSONAL LEAVE

1. All employees shall be granted three (3) days per school year personal-business leave without loss of pay or sick leave for such personal business as family matters which require absence during school hours, or for the observance of religious holidays. Employees that use three (3) or fewer sick days during the previous school year shall be granted one (1) additional day the following school year for personal-business leave, without loss of pay or sick leave for such personal business as family matters which require absence during school hours, or for the observance of religious holidays. Employees may receive a maximum of three (3) personal-business days during any single school year. The reason for taking personal leave need not be disclosed by the employees. The Union and the employees, however, recognized a moral obligation to restrict absences for personal leave in the spirit of the Agreement. Personal Leave not used by the end of the school term shall be counted in the following school term's total amount of sick days available to the employees. Personal leave may not be taken during the first week or the last week of the school term, or on a day immediately prior or immediately following a holiday or school recess without prior written approval of the superintendent or designee. The written request must be made at least forty-eight (48) hours prior to use of the requested personal day.

More than 10 years	20

Any new employees must work a minimum of five months before taking any vacation time.

2. Employees may be allowed limited carryover of days with approval of the Superintendent or designee.

3. Employees eligible for twenty (20) days may choose to receive payment at their per diem rate for the fourth week instead of taking the days as vacation.
 4. Vacations may not be taken in blocks of more than two (2) consecutive weeks unless pre-approved by the Superintendent or designee.
 5. Ten month employees who become twelve month employees shall retain their previous years of service when calculating the number of years to award vacation days.
- G. All employees may be granted a leave of absence by the Board for a period of one semester or less for the purpose of completing a course of education study that leads to a bachelor's degree or higher including, but not limited to, student teaching, internship, etc. Requests for such leave shall be made in writing at least thirty (30) days prior to the beginning of the semester during which the leave will occur. The thirty (30) day notice may be waived by the Superintendent or designee. During the leave of absence, the employee shall not suffer a loss of seniority and the employee shall be eligible to maintain his/her benefits and medical insurance at his/her employee premium rate. At the conclusion of the education leave of absence the employee shall be returned to the position, or a similar position, as the individual held at the time the education leave of absence was commenced.

V. GRIEVANCE AND DISCIPLINE PROCEDURES

A. Grievance Procedure

1. Definition:

A grievance is a complaint involving a work situation or a complaint that there has been a deviation or misapplication of a practice, policy, or a complaint that there has been a violation, a misinterpretation or a misapplication of any provisions of this Agreement.

2. Basic Principles:

- A. Any employee or group of employees shall have the right to present grievances in accordance with these procedures. A group shall consist of employees who hold the grievance in common.
- B. All discussions shall first be kept confidential by all parties involved during the first stage of a grievance.
- C. An employee who participates in the grievance procedure shall be free from disciplinary action or reprimand because of such participation.
- D. The Administration has the responsibility to consider and take prompt

action, within authority delegated to it, on grievances presented to it.

- E. The failure of the UNION to act within the time limits will act as a bar to any further appeal. The Administrator's failure to give a decision within the time limits shall permit the grievant to proceed to the 'next step.' The time limits may be extended by mutual agreement. All references to days shall refer to teacher attendance days.

It is agreed that no grievance shall be suspended or delayed by reason of the summer vacation. During the District's summer vacation, it is agreed that all days referred to in this Article V shall mean District business days, not teacher attendance days.

- F. Hearings and conferences held in the nature of executive sessions under this procedure shall be conducted in one of the school offices at a time that will afford a fair and reasonable opportunity for all persons, including witnesses, to be present.
- G. Grievance meetings shall be scheduled at a time mutually agreeable to all of the participants.
- H. If a grievance arises from the action of a District Administrator, Supervisory Staff member, or the BOARD, the grievance shall follow the same procedure as outlined below; however, the first stage should be a request for an informal conference with the appropriate Assistant Superintendent or the Assistant Superintendent for Finance/Operations, depending upon whether the grievance is an instructional or a business matter.

The appropriate Assistant Superintendent shall render a decision in writing within fourteen days to the UNION Grievance Chairperson and the Superintendent.

In the event the grievance has not been settled satisfactorily at this stage, the grievance may be referred to the third stage as outlined below.

- I. All grievances will begin at the stage of the individual and/or entity who issued the discipline and/or decision resulting in the grievance.

3. Procedures:

First Stage

The aggrieved employee shall request an informal conference with his or her immediate supervisor or whichever administrator is the cause of the alleged grievance regarding the adjustment of any grievance. This is to be done within fifteen (15) teacher attendance days after the employee becomes aware of the

alleged violation. At this and all future conferences regarding the alleged grievance, the employee may be represented by a UNION representative or by any employee of his or her choice. If the employee is represented by a Union representative who is assigned to the same building at which the grievance originated, the conference may be held during regular school hours. If the employee is represented by a Union representative who is assigned to a building other than that at which the grievance originated, the conference must be held after regular school hours. The supervising administrator or another appropriate administrator may also have a representative of his/her choice. The aggrieved employee must be present at this as well as at all subsequent meetings. No other Teacher organization shall represent the employee, if the grievant is dissatisfied with the outcome of the conference, he or she is privileged to proceed to the second stage.

Second Stage

In the event the grievance has not been settled satisfactorily at the First Stage, the aggrieved employee, if he or she chooses the UNION as his or her representative, shall prepare a signed statement setting forth all of the pertinent facts and dates relative to the complaint and the remedy or relief sought. Copies of the complaint shall be submitted to the appropriate Assistant Superintendent.

If the employee chooses another employee other than an official UNION representative as his/her representative, he/she shall submit the same type of report to such representative who shall also sign it, and present it to the immediate administrator of the grievant and to the Superintendent.

The filing of the grievance at the second stage must be within ten (10) days of the first stage conference. The immediate supervisor or other Administrator who has authority to make a decision on the grievance shall make such decision and communicate it in writing to the aggrieved employee, the Superintendent, and the UNION President within ten (10) days.

Third Stage

In the event a grievance has not been satisfactorily resolved at the Second Stage, the aggrieved employee or his/her representative, within ten (10) days of the Administrator's written decision, shall submit a statement of appeal with reasons to the Superintendent. Copies of this statement are to be forwarded to the grievant, administrator involved and the UNION President.

Within ten (10) days after the written appeal is submitted, the aggrieved employee, the Administrator, the Superintendent, and a UNION Representative, if the aggrieved employee wishes, shall meet in an attempt to resolve the grievance. The Superintendent shall file an answer within ten (10) days of the Third Stage grievance meeting and communicate it to each party participating in the Third Stage conference.

Fourth Stage

If the grievance cannot be settled at the Third Stage, the grievance shall be submitted to the BOARD through the Superintendent at a mutually agreed upon Executive Session. The aggrieved employee and his/her representative shall present a written summary to the BOARD in advance of the executive session. The employee and his/her representative shall present their case orally to the Board at the Executive Session. The Board's decision shall be communicated to the grievant and the Union within ten (10) days of the Executive Session.

Fifth Stage

If the grievance is not satisfactorily resolved at the fourth stage, the UNION may submit the grievance to binding arbitration within twenty-five (25) teacher attendance days after receipt of the Board's decision at the fourth stage, by requesting an arbitrator from the American Arbitration Association or Federal Mediation and Conciliation Services and filing a copy of the request with the Superintendent within the twenty-five (25) teacher attendance day period. The selection of the arbitrator shall follow the voluntary labor arbitration procedures of the American Arbitration Association. The fees of the arbitrator and the American Arbitration Association shall be divided equally between the BOARD and the UNION. All other expenses shall be borne by the party incurring them. Either party shall be entitled to have a court reporter present and submit a transcript and post-hearing brief to the arbitrator. Unless the parties split equally the cost of the court report and the transcript, the party not requesting the court reporter shall not be entitled to a transcript.

B. Discipline Procedure

The BOARD may discipline members of the bargaining unit with just cause for acts of insubordination, misconduct, incompetency, cruelty, negligence, immorality, or other sufficient cause. Disciplinary action may include written reprimands, suspensions without pay, or discharge.

1. Except for serious offenses that may warrant suspension or termination, the BOARD agrees to the concept of progressive discipline following a disciplinary conference when dealing with matters of insubordination, misconduct, incompetency, cruelty, negligence, immorality, or other sufficient cause. In all cases, employees will be afforded due process.
 - a) First offense: Documented Verbal Warning. Verbal warnings shall be documented by an email or letter after an administrative/employee meeting. Documented verbal warnings shall be removed from the personnel file after one calendar year from the date of receipt. Employee union representation and CBA grievance and discipline procedure requirements do not apply to the issuance of verbal warning.
 - b) Second Offense: Shall be a letter of reprimand/warning in the employee's

official file.

- c) Third offense: Upon repetition of the same offense, shall result in a one day unpaid suspension for the employee.
 - d) Fourth offense: Upon repetition of the same offense, the employee shall receive up to a three (3) day unpaid suspension.
 - e) Fifth offense: Upon repetition of the same offense, the employee shall receive either a suspension of more than three (3) days or termination.
 - f) Any member of the bargaining unit who is disciplined shall have the right to appeal such discipline by filing a grievance in accordance with the grievance and arbitration procedure set forth in this Agreement.
 - g) The Board and Union agree that the commission of certain serious offenses, and/or multiple offenses of the same or similar infractions, would permit the Board to skip some or all of the steps in the progressive disciplinary process.
2. When an administrator calls a conference with an employee which might lead to disciplinary action against the employee, the following provisions shall be applicable.
- a) Except in egregious situations (i.e. violent, abusive, or criminal activity) the employee and the Union shall be informed forty-eight (48) hours in advance of the meeting in writing as to the reason(s) for the conference and/or investigatory meeting. The written notice will include information that identifies the general details of the incident(s) (i.e. approximate date, time, place, and nature of the incident) for which the conference and/or investigatory meeting is being held if such information is available at the time the notice is drafted. The meeting shall be scheduled at a time mutually agreeable to all the participants.
 - b) The employee has the right to be accompanied by a Union representative or representative of his/her choice at the conference.
 - c) Except circumstances warranting immediate action the administrator will not take disciplinary action against the employee without first affording the employee an opportunity to respond to the matter being discussed.
 - d) In no instance shall disciplinary action be taken against an employee later than twenty (20) teacher attendance days after the conduct giving rise to the action or in the twenty (20) teacher attendance days after the time the administration becomes aware of the action giving rise to the discipline. When disciplinary action stems from a series of un-remediated instances on the part of the employee, in no event shall notification be later than twenty

(20) working days after observation of the last instance.

- e) If, after a disciplinary conference an administrator takes disciplinary action against the employee the administrator shall provide the employee with written notification of the specific reason(s) for the action within five (5) teacher attendance days from the date of the conference.
- f) In case of a termination of employment hearing or a conference involving disciplinary action to be taken against an employee, the charges brought against the employee shall be based upon the material in the official file and/or investigatory file except in cases where the administration or Superintendent believe immediate disciplinary action is necessary.

VI. SALARY PROVISIONS

grandfathered into his/her degree stipend award.

VII. TERMINATION

- A. This Agreement shall be in effect from July 1, 2022, until June 30, 2026. Unless one party notifies the second party in writing according to recognition clause, this Agreement shall remain in full force and effect until replaced by a successor Agreement.
