**ASSIGNMENT/COMPENSATION OF SUBSTITUTE TEACHERS**

Substitutes are given no guarantee of a minimum number of assignments. Substitutes need to make themselves available for a reasonable percentage of calls. We understand that a substitute may not be able to accept an assignment. However, if several attempts to utilize the services of a substitute are met with rejection, you will be made inactive in Aesop.

When a staff member is absent for two (2) or more consecutive days, every effort will be made to assign the same substitute for that staff member.

Substitute teachers who report to a building as directed for an assignment, and upon arrival at the building, are directed to another substitute assignment, the substitute
must take the changed assignment. If you choose to decline the new assignment (and go home), you will not get paid for the day. However, if you arrive at a building and no substitute assignment is available - due to building and/or scheduling error, you will be paid for no less than one-half day of work.

- Substitute teachers are required to participate in the Teacher Retirement System (TRS)
- Certified Substitutes acting as a teaching assistant will be subject to FICA & Medicare (No TRS)
- Substitute teachers do not receive fringe benefits from District 99
- District 99 does offer direct deposit to all substitute employees (see section on Employee Access)
- Substitute teachers are covered under workmen’s compensation insurance for any injury sustained in the normal course of school duties. Please report an injury to the building administrator immediately and complete a full claim kit, (found in the school office) on the same day as the accident occurs.

CRIMINAL HISTORY BACKGROUND/FINGERPRINTING
All employees are required to have a completed background check on file prior to substituting in any capacity. Please make an appointment with the Human Resource Department by calling 708-863-4856.

EMPLOYEE ACCESS
District 99 utilizes the Frontline Aesop Substitute Access System. Aesop is a tool that enables schools to automatically call in or search for substitute teachers online, and it also allows schools to record teacher absences.
REMOVAL FROM THE SUBSTITUTE ROSTER
Substitutes may be removed from the substitute roster at their request or based upon request(s) from building administrators. The Human Resources Department makes the final decision and resolution.

IF A SUBSTITUTE CAN NOT WORK
If a substitute is going to be unavailable for an extended period of time, please log into Aesop to block out the time you will not be available. Aesop will not call you during the time you are not available.

If a substitute should become ill and cannot report to a previously accepted assignment, he/she should cancel the assignment in Aesop. If it is past the deadline to cancel in Aesop, please call the substitute caller so that a new substitute can be obtained. If the substitute is calling the day of the assignment and cannot reach the substitute caller, leave a message for the substitute caller and then call the school’s secretary. Phone numbers of the schools are located on the District’s webpage.

REQUIRED ONLINE TUTORIALS
All new or returning substitutes must complete mandated online tutorials provided by GCN each year. Please note: GCN resets their system every July 1st

Instructions how to access these tutorials will be emailed to you once your substitute paperwork has been processed. Once you have logged in to GCN, the required tutorials will be listed.

PROFESSIONAL RESPONSIBILITIES OF THE SUBSTITUTE TEACHER

6. All subs MUST report prior to the start of the day regardless of the teacher’s schedule.

7. Please do not eat or drink in the classroom – a water bottle is acceptable.

10. **Never leave students unattended.**

If a substitute has questions about any of the above or any other responsibilities, information may be obtained from the building administrator.

**PROFESSIONAL ETHICS**

We depend on the integrity of each substitute in preserving confidential information pertaining to students, parents, staff and other school related matters. Please refrain from making adverse comments about the regular teacher or his/her procedures to the students. Avoid discussion of students, teachers, or procedures at other buildings especially in the teacher’s lounge. Share any concerns by using the Substitute Feedback in Aesop or talk to an administrator.

This can be done during your lunch break, between periods or on a break. This is a policy not only enforced with substitutes, but with all staff members. Students should be your number one priority while working in our district.

The District’s Network may not be used for personal financial gain.

**STUDENT DISCIPLINE**
The teacher/substitute teacher has the primary responsibility for discipline in the classroom. Should serious disciplinary issues occur, immediately obtain the assistance of the principal, assistant principal or other appropriate school personnel in maintaining discipline in the classroom.

**EMERGENCY PROCEDURES IN THE BUILDINGS**
The substitute teacher should take a few minutes to become familiar with the building and the emergency procedures for the building. If the information cannot be located, please request it in the main office.

Instructions for fire and tornado drill exit procedures should be posted near the door of each room. If the class is away from the classroom when the fire alarm sounds, leave the building through the nearest exit and proceed to a safe distance away from the building.

**STUDENT SAFETY**
Each member of the staff is responsible for the safety of students under his/her charge. If a child appears to be ill or hurt, contact the main office. Generally, a nurse is on duty to attend to the student.

DURING CLASS
- Check attendance first so you can send the attendance report to the office promptly. Because each school may do this differently, ask the office or another teacher about the proper reporting procedure the first time you substitute at a particular school.
- Briefly observe students for signs of illness of suspected illness. If you conclude a student may be ill, refer him/her to the school nurse or office.
- Follow the teacher’s written plans unless there is a compelling reason not to. If, you feel it is necessary to make any changes in the prepared lesson plans, be sure to leave notes for the regular teacher about the changes you made, including an explanation about why the changes were necessary.
AFTER CLASS
(These tasks can & should be accomplished during planning time)

▪ However, be prepared that some teachers plan extra activities for sub days so don’t always expect to finish everything.
